

WECARE LOGISTICS LLC

.....carrying solutions with care !!

A Guide to our expertise and services....

AN ISO 9001-2008 CERTIFIED COMPANY (QMS)

OUR VISION :

At the heart of “Wecare” is Our Vision..

Our Vision is to be the world's most Valued & Trusted company that delivers On Time ... Every Time, to our valued Customers, Agents, business partners, and the employees. With the Focused and Innovative methods, we intend to add value to our services and provide satisfaction and delight to our end customers.

OUR MISSION:

Wecare is committed towards providing complete Supply Chain Solution all across the globe through teamwork and innovation; we strive to be The Leader in providing transportation and logistics service anywhere in the world by providing Time Bound, Efficient and Cost Effective Solutions to our Global Customers, tailor made to meet the satisfaction of their individual requirements.

INTRODUCING OURSELVES:

- Operations started back in 2005 with establishment of Office at Al Quoz Industrial Area in Dubai, UAE.
- We are registered with International Forwarding Organisations like **FIATA (International Federation of Freight Forwarders Association)** and **NAFL (National Association of Freight Logistics)**
- We have presently a staff of 22 professionals serving the needs of our valuable clients.
- A flexible management with proper control and discipline over performance towards our clientele.
- A warehousing facility at Al Quoz Industrial Area managed by us for meeting needs of our clients.
- The “Wecare Group” ensures a satisfying journey to its customers with its highly professional services which includes Logistics Solutions, HR & Manpower and Digital Printing and Copying Services.

QUALITY POLICY:

- We care logistics has been Accredited with Total Quality Control and Quality Management Control ISO 9001-2008 recently by IIC, Korea under JAS-ANZ, Australia.
- A complete control in each aspect of service procedure is monitored and controlled for a better response towards our clients and service providers as well.
- Wecare Logistics LLC works on a SQL based Software program called “FLAIRSOFT” and all operations are done under one system and platform to maintain uniformity.
- We also have online “CALOGI” System for Air Freight as well as use “E-Mirsal 2” for Online Customs Clearance.
- Documentation, Invoicing and all other activities involved for Operations are done through the Software only ensuring better control and service standards.

SERVICES WE OFFER:

- **Sea Freight** including FCL Imports and Exports as well as LCL Imports and Exports
- **Air Freight** Services with both Air Imports and Air Exports
- **Land Freight** services to GCC Countries both Inbound and Outbound

AGENCY NETWORK:

Like most of the forwarders operating in UAE, we work with a well established agency network GLOBALLY.

All agents are registered with the FIATA, IATA and other reputed Forwarding Agencies to make sure that service efficiency is of prime concern.

Our Global Partners has been supporting our requirements and the same efficiency reflects on our service.

We make sure that we constantly remain in touch with our agents to maintain the business partnership and commitments to have a better relationship with them, every passing day.
